

Sandy Creek Airport (73TX)

Flight Operating Procedures

Please sign and submit this form agreeing that your airstrip usage is conducted at "your own risk".

* A copy of your **aircraft certificate of insurance must be submitted** before operations begin. Rented aircraft must have the rental company's certificate submitted. Email to gmcotton@swbell.net or fax to: 936-649-5230

* Please tie down your aircraft, if it will be unattended, and park where your host designates.

* No touch and go operations are permitted.

* No night operations - no airport lighting.

* Pilot instruction/training flights are prohibited.

* All patterns shall be flown east of the field (right downwind for runway 36 and left downwind for runway 18).

* No flights in the quadrant southwest of the end of runway 18 (RC operations area) and within 1 mile of the airstrip are permitted..

Operating Agreement

I understand that the Sandy Creek Airport is a private airport and I assume all risks associated with my use of the airstrip and further assert that Sandy Creek Airport shall not be liable for any loss of persons or property as a result of my operations on the airport.
